STAY IN YOUR  
ELEMENT

## DISCOVER THE ELEMENT BY WESTIN MIAMI DORAL HOTEL

We believe that travelers deserve more than a place to stay. They need a place to thrive. We want our guests to start every day fresh, whether they're staying for a few nights or settling in for a few weeks. Inspired by Westin, Element Hotels provide guests with space to live their lives. With natural light, healthy options, open spaces and eco-friendly practices, we've built a smarter, better place to stay. Time away from home shouldn't mean time away from life.

# Sustainable-focused practices

Element Hotels comply with mandated green certification from approved sources, resulting in cleaner, healthier properties for our guests and associates.

**Here are the eco-friendly practices we participate in:**

- LEED Certification.
- Our Studios and Suites kitchens have filtered water to reduce the use of plastic containers.
- All kitchens are fully-equipped with ENERGY STAR® rated appliances.
- Water-efficient faucets and fixtures. All room showers have rainfall shower heads to reduce the use of water.
- All rooms have wall key pockets that activate the lights in the room.
- Waste reduction practices with an extensive recycling program including sleeping rooms, meeting rooms and common areas. We work with waste management to recycle all cardboard and plastics.
- Our housekeeping team tidies the room once every three days in an effort to decrease the amount of water, energy, and resources used healthier properties for our guests and associates.
